Enjoy and experience the sea and the coral reefs surrounding the beautiful island of Abaco in the Bahamas. Brendal's Dive Center is located on Green Turtle Cay, a short ferry ride from the Treasure Cay airport. Enjoy with us the beautiful coral gardens with elk and staghorn corals and abundant marine life. **Hand feed Brendal's pet grouper "Junkanoo" and "Calypso", meet "Goombay" the green moray or hand feed some friendly sting rays!** Explore coral catacombs and sparkling sand channels or dive a historic wreck. We offer one or two dives per day from 10 to 100 feet. Green Turtle Cay is surrounded by numerous uninhabited islands with sparkling beaches. Brendal's Dive Center is internationally accredited and a full service dive center with retail shop.
